

ADVISORY NOTICE

RAF Lakenheath celebrates Fourth of July with a fireworks display

ROYAL AIR FORCE LAKENHEATH, England – RAF Lakenheath will be holding a COVID-compliant outdoor event that will involve a traditional fireworks display, in honour of the Fourth of July U.S. holiday. The fireworks will likely be seen and heard for roughly ten minutes beginning at around 10 p.m. on Friday.

This announcement is provided so our neighbours, especially those with pets and livestock, have notice of the display. We also hope that our neighbours and local communities surrounding RAF Lakenheath will have clear skies to enjoy the fireworks display from their gardens.

For media queries, please contact the 48th Fighter Wing Public Affairs Office at 48fw.pa@us.af.mil.
